DONATING TO THE STATE EMERGENCY SERVICE

The Queensland State Emergency Service (SES) is built on the goodwill of thousands of members.

People helping People. Mates helping Mates. Neighbours helping Neighbours.

The SES is a not-for-profit, community-based volunteer emergency service enabled by State and Local Governments and supported by industry and the community.

The dedication and commitment of our volunteers in ensuring the safety and well-being of fellow Queenslanders is greatly valued by the community.

The SES does not solicit donations and will not telephone to ask for support, however we recognise that some generous members of the community wish to contribute to the service.

Donations are valued funds that enable SES to buy important equipment, undertake professional development opportunities, and support volunteers who train regularly and give their time freely to support community in times of need. Donations are always appreciated.
